

As a patient of the [Toronto Western Family Health Team \(FHT\)](#) you may be able to create a myUHN Patient Portal account.

To register for myUHN Patient Portal, click on the following link:

https://www.uhn.ca/PatientsFamilies/myUHN/Pages/how_register.aspx

With myUHN, you will be able to see:

- your **UHN health record** and **Ontario lab results**. This includes lab results from over 150 hospitals, community and public health labs stored in the [Ontario Laboratories Information System](#) (OLIS).
- Manage UHN appointments and update your information.
- Check-in and complete questionnaires before your UHN appointment.

To read more about myUHN Patient Portal, click on the following link:

The TW FHT has a separate online system from myUHN Patient Portal.

You will not be able to see the following on myUHN Patient Portal:

- View your TW FHT appointments
- View your TW FHT notes
- Manage your TW FHT appointments
- Message your TW FHT providers

For all TW FHT appointment bookings and communication with TW FHT staff and providers, please use the TW FHT website: www.twfht.ca or call 416 603 5888.

Contact myUHN Portal Support team at myUHN@uhn.ca or 416 340 3777.
